7. Review: Here's a vibrant blend of Merlot, Cabernet Sauvignon and Petit Verdot with mature fruit flavors, cherry liqueur and loads of Indian spice. The wine is smooth and dense and glides clean over the palate with soft tannins and ripe berry flavors. Pair this Tuscany red with game dishes such as wild boar or venison. 7. Review: Thick, luscious concentration and fragrant aromas of black fruit and exotic spice characterize this blend of Merlot, Cabernet Sauvignon and Petit Verdot. The wine has depth and dimension and loads of cushiony, plump fruit. You'll also get background aromas of chocolate and espresso that ride over the wine's rich texture. [M.L.](#) (11/1/2009) - 92
